### **LJUBLJANA EXCURSION**

Duration of the trip: 9.30 – 17.00

Ljubljana (pop. 293,000) is one of the smallest European capitals. It's never crowded – but also never boring. 50,000 university students give it its youthful appeal, and as an economic and cultural hub of Slovenia, it has a lot to offer to locals and visitors alike. It is also one of Europe's top new culinary destinations.

Upon arrival in Ljubljana, we will first take a short bus tour, then embark on a 1.5-hour guided walk tour of Ljubljana, which we will complete with a 45-minute boat ride on the Ljubljanica river to enjoy the view of Ljubljana from another perspective.

After lunch you will have some free time to enjoy a coffee or a drink in many cozy bars by the Ljubljanica river or for shopping.

We will return to Bled around 5 pm.
